VILLAGE OF DOWNERS GROVE Report for the Village 3/8/2022

SUBJECT:	SUBMITTED BY:
Supplemental Motor Fuel Tax Resolution – 2022 Annual Roadway	Andy Sikich
Resurfacing Program	Public Works Director

SYNOPSIS

A supplemental resolution has been prepared appropriating \$40,000 of Motor Fuel Tax (MFT) funds for the 2022 Annual Roadway Resurfacing Program.

STRATEGIC PLAN ALIGNMENT

The goals for 2021 -2023 include Top Quality Infrastructure.

FISCAL IMPACT

The FY22 Budget provides funding for the Roadway Maintenance Program, ST-004, in the Motor Fuel Tax Fund. Staff anticipates spending \$1,100,000 of the budgeted amount of MFT funds for the 2022 Annual Roadway Resurfacing Program. On February 1, 2022, Village Council appropriated Motor Fuel Tax Funds in the amount of \$1,060,000 for the 2022 Street Resurfacing Program (Resolution 2022-12). This supplemental resolution appropriates an additional \$40,000 of Motor Fuel Tax Funds for the 2022 Street Resurfacing Program.

RECOMMENDATION

Approval on the March 8, 2022 consent agenda.

BACKGROUND

Each year the Village authorizes the appropriation of MFT funds and designates that these funds be dedicated to the Village's roadway contracts. These funds will be used to support a portion of capital project ST-004B, the 2022 Annual Roadway Resurfacing Program. The program will also be funded by Rebuild Illinois funds, which have been appropriated with a separate resolution. Due to the utilization of both MFT and Rebuild Illinois funds for the 2022 Annual Roadway Resurfacing Program, the use of MFT funds for other roadway maintenance contracts, e.g. crack sealing, patching, road salt, etc., will be appropriated with a separate MFT resolution.

This resolution is the first step in fulfilling Illinois Department of Transportation (IDOT) requirements for the use of MFT funds. Subsequent tasks include award of a contract to an IDOT pre-qualified contractor and complete documentation of construction expenditures and material testing reports.
