

## **rRemarks Data for March 15th, 2022 Village Council Meeting**

**Agenda Section:** Active Agenda

**Agenda Item:** A. MOT 2022-9309 Motion: Speed reduction measures on the 4800 block of Forest Avenue.

**Commenter:** Sonja R Cimera, Downers Grove

**Comment:** The four-way stop and several stop signs along Prairie seem to have worked very well to reduce speed and fender benders. I have not noticed speed issues on Forest other than occasional yahoos. It's a relatively short stretch between the high school and the tracks. Perhaps keeping an eye out for reckless drivers and reporting cars or license numbers would help as these are most likely repeat offenders. Thank you all for your work for DG.
