Spring 2022 Tree Planting

Parkway tree planting is scheduled to begin Monday June 6. All plantings should be completed by June 15 weather depending. 192 trees will be planted this spring season representing 29 different tree species, including 6 unique oak species. Of the 192 trees, 9 are new tree plantings where there was no tree before, and the remaining 183 trees are replacements for trees removed due to EAB infestations, disease, decline or storm damage. The Village will also be honoring 90 specific tree species requests, thereby improving resident satisfaction and the likelihood of long-term tree survival.
