RECOMMENDATION**UPDATE & RECOMMENDATION**

This item was discussed at the August 2nd, 2022 Village Council meeting. Staff recommends approval on the August 9th, 2022 active agenda per the Plan Commission's unanimous 6:0 positive recommendation to annex.

BACKGROUNDProperty Information & Zoning Request

The subject property is at 3859 Douglas Road, and consists of two lots located in unincorporated DuPage County at the northeast corner of 39th Street and Douglas Road. Currently Lot 1 is vacant as the former house was recently demolished. A new home is proposed for construction on this lot. Lot 2 was subdivided from Lot 1 in 2021 via the DuPage County process and is currently vacant.

The owners of the subject property have petitioned the Village for a voluntary annexation as this property is contiguous to the Village's municipal boundary. If approved, the newly annexed property will be assigned the default zoning classification of R-1, Residential Detached House 1. As such, the petitioners are requesting to rezone the property to R-2, Residential Detached House 2 in order to bring the property into the same zoning classification as the neighboring properties to the east and south, which is more compatible with the property dimensions. The petitioners intend to construct a single family house on Lot 1.

Compliance with the Comprehensive Plan

The proposed rezoning from R-1 to R-2 is consistent with the Comprehensive Plan. The Comprehensive Plan identifies the property as Single-Family Detached Residential, and states that it should continue to be the predominant land-use in the Village. By changing the bulk zoning regulations to reflect existing conditions in the neighborhood and to be more compatible with lot configurations, the rezoning helps ensure investment in quality housing stock.

Public Comment

Prior to Plan Commission consideration, staff received two calls seeking additional information on the request. No additional inquiries were received at the public hearing.

ANALYSIS**SUBMITTALS**

This report is based on the following documents, which are on file with the Department of Community Development:

1. Application/Petition for Public Hearing
2. Petition for Annexation
3. Plat of Annexation
4. Plat of Survey
5. Location Map
6. Project Narrative

PROJECT DESCRIPTION

The subject property is at 3859 Douglas Road, and consists of two lots located in unincorporated DuPage County at the northeast corner of 39th Street and Douglas Road. Currently Lot 1 is vacant as the former house was recently demolished. A new home is proposed for construction on this lot. Lot 2 was subdivided from Lot 1 in 2021 and is currently vacant.

The owners of the subject property have petitioned the Village for a voluntary annexation as this property is contiguous to the Village's municipal boundary. If approved, the newly annexed property will be assigned the default zoning classification of R-1, Residential Detached House 1. As such, the petitioners are requesting to rezone the property to R-2, Residential Detached House 2 in order to bring the property into the same zoning classification as the neighboring properties to the east and south, which is more compatible with the property dimensions. The petitioners intend to construct a single family house on Lot 1.

COMPLIANCE WITH THE COMPREHENSIVE PLAN

The Comprehensive Plan's Residential Areas Plan identifies the property as part of the traditional grid type of residential development. The proposed rezoning will have no impact on the existing development patterns of this area as the land use will remain single family residential. The proposed rezoning from R-1 to R-2 is consistent with the Comprehensive Plan.

The Comprehensive Plan identifies the property as Single-Family Detached Residential, and states that it should continue to be the predominant land-use in the Village. By changing the bulk zoning regulations to reflect existing conditions in the neighborhood and to be more compatible with lot configurations, the rezoning helps ensure investment in quality housing stock.

COMPLIANCE WITH ZONING ORDINANCE

The property will be automatically zoned to R-1, Residential Detached House 1 zoning designation upon annexation. However, the measurements of the subject property do not meet the zoning regulations associated with the R-1 designation. As such, the petitioner is proposing to rezone the property in order to more closely match the size of the property with an appropriate zoning classification. A comparative analysis of the bulk requirements for both the R-1 and R-2 districts are found in the table below:

	R-1 District Lot Regulations	R-2 District Lot Regulations	3859 Douglas Rd. Lot 1	3859 Douglas Rd. Lot 2
Min. Lot Area	20,000 sq. ft.	15,000 sq. ft.	17,319 sq. ft.	10,011 sq. ft.
Min. Lot Width	100 ft.	85 ft.	100.17 ft.	100.13 ft.

The building regulations for the R-1 and R-2 zoning districts are compared and applied to the subject property in the table below:

Zoning Ordinance Bulk Regulations	R-1 District Bulk Requirements	R-2 District Bulk Requirements
Street Setback	40 feet	35 feet
Side Setback	10 feet	10 feet
Rear Setback	20 feet	20 feet

The proposed R-2, Residential Detached House 2, zoning classification is appropriate for this property as it meets the bulk and use regulations.

NEIGHBORHOOD COMMENT

Notice was provided to all property owners 250 feet or less from the property in addition to posting public hearing notice signs and publishing the legal notice in the *Daily Herald*. Staff has not received any comments from the public.

STANDARDS OF APPROVAL

The petitioner is requesting a Zoning Ordinance Map Amendment to rezone the subject property from R-1, Residential Detached House 1 to R-2, Residential Detached House 2, upon annexation. The Annexation is considered solely by the Village Council. The review and approval criterion for the Zoning Map Amendment is listed below.

The petitioner has submitted a narrative that attempts to address all the standards of approval. The Plan Commission should consider the petitioner's documentation, the staff report and the discussion at the Plan Commission meeting in determining whether the standards for approval of a rezoning have been met

Section 28.12.030.I. Zoning Map Amendment Review and Approval Criteria

The decision to amend the zoning map is a matter of legislative discretion that is not controlled by any single standard. In making recommendations and decisions about zoning map amendments, review and decision-making bodies must consider at least the following factors:

1. *The existing use and zoning of nearby property.*
2. *The extent to which the particular zoning restrictions affect property values.*
3. *The extent to which any diminution in property value is offset by an increase in the public health, safety and welfare.*
4. *The suitability of the subject property for the zoned purposes.*
5. *The length of time that the subject property has been vacant as zoned, considering the context of land development in the vicinity.*
6. *The value to the community of the proposed use.*
7. *The comprehensive plan.*

DRAFT MOTION

Staff will provide a recommendation at the June 11th, 2022 meeting. Should the Plan Commission find that the request is consistent with the Comprehensive Plan and meets the requirements of the Zoning Ordinance, staff has prepared a draft motion that the Plan Commission may make for the recommendation approval of 22-PLC-0015:

Based on the petitioner's submittal, the staff report, and the testimony presented, I find that the petitioner has met the standards of approval for the Zoning Map Amendment as required by the Village of Downers Grove Zoning Ordinance and is in the public interest and therefore, I move that the Plan Commission recommend to the Village Council approval of 22-PLC-0015, subject to the following conditions:

Re: Request for village annexation for parcels 06-32-415-034 and 06-32-415-035

Dear Downers Grove Department of Community Development:

We are writing to request the annexation and re-zoning for a single parcel of property that is located in unincorporated Dupage County with pin 06-32-415-034 and 06-32-415-035.

The property address is 3859 Douglas Road, Downers Grove, IL 60515 and is located at the NE corner of Douglas Road and 39th Street.

The legal description is as follows:

Lot 9 in Arthur T. McIntosh and Company's Fairview Ave Subdivision, being a Subdivision in the east half of section 5, Township 38 North Range 11, east of the third Principal Meridian, and in the southeast quarter of section 32, Township 39 North Range 11, East of the Third Principal Meridian, according to the Plat thereof recorded September 7, 1923 as Document 169326, in Dupage County, Illinois. Commonly Known as 3859 Douglas Road, Downers Grove, Illinois.

Specifically, we are requesting the annexation to allow for the proposed construction of a single family home on the referenced property. There are several reasons why this annexation would benefit the community:

- 1) The surrounding properties to the south of 39th street are already in the Village and currently zoned for R-2
- 2) The property values in the area will be improved once a new single family residence has been completed.
- 3) The proposed single family home design will be closely aligned with the existing and new homes being built in the surrounding area of this subdivision.
- 4) A completed upscale single family home inside the village limits will contribute substantial tax revenues to support all Downers Grove Services.
- 5) The comprehensive plan includes the annexation of the property into the Village and the construction of a single family residence as our primary residence.

In summary, annexing the property into the Village of Downers Grove will provide the following Key benefits:

- 1) Enhance the property values in the area;
- 2) Provide tax revenues to the Village to support the services being offered by the Village;
- 3) And the proposed new single family home will be aligned with the existing and new homes being built in this subdivision of the Village.

ZONING MAP AMENDMENTS

Review & Approval Criteria

1) The existing uses and zoning of nearby property.

The existing parcels 06-32-415 and 06-32-415-035 are located in Unincorporated Dupage County with property address of 3859 Douglas Road, Downers Grove IL.

The description of the parcel is: Lot 9 in Arthur T. Macintosh and Company's Fairview Ave subdivision, being a subdivision in the east half of section 5, Township 38 North Range 11, east of the Third Principal Meridian, and in the southeast quarter of section 32, Township 39 North Range 11,, east of the third Principal Meridian, according to the Plat thereof recorded September 7, 1923 as Document 169326, in Dupage County, Illinois.

The subdivision consists entirely of residential neighborhood, all of which are zoned R-4 in unincorporated Dupage County.

2) The extent to which the particular zoning restrictions affect property values.

Annexation and re-zoning of the property from unincorporated Dupage County into the Village of Downers Grove, IL will significantly increase the value and associated tax base for the proposed property. This can be expected to indirectly contribute to the increase in value of nearby houses.

Currently without the improvements or perimeter security to the existing parcel can affect safety & welfare of the surrounding area.

3) The extent to which any diminution in property value is offset by an increase by an increase in the public health, safety and welfare.

Development of the property at 3859 Douglas Road in Downers Grove, IL will result in the increase in property value of the lot and the proposed owner-occupied single-family residence and will not result in diminution of value.

In addition, the proposed single family home is being developed to meet both the village's and county's development requirements and zoning ordinances, but also to ensure that the house being built meets both the visual and from a standpoint of public health, safety & welfare.

4) The suitability of the subject property for the zoned purposes.

As with all other properties in the surrounding neighborhood especially the newer built homes, we are requesting a re-zoning to R-2 for our proposed home in the village of Downers Grove.

This will be appropriate for the intended use of the property once permitted & developed into an owner-occupied, single-family home of approximately 3829 Sq. Ft. that will fit with the surrounding neighborhood.

5) The length of time that the subject property has been vacant as zoned, considering the context of land development in the vicinity.

The current parcel lot 9 is situated in Arthur T. McIntosh and Company's Fairview Ave of Downers Grove, which is a single family home subdivision comprising of average homes having being built in the 1970's and zoned as R-4. However, there is evidence of a number of new homes being built after previous homes were bought and torn down and re-developed under R-2 zoning.

6) The value to community of the proposed use.

The value to the community of the proposed development and use of the property at 3859 Douglas Road in Downers Grove, IL will be as follows:

- The increase in taxable base for the property will benefit the village to further support services provided to the community of Downers Grove.
- The property values in the area will be improved once a new owner-occupied single-family home is completed.
- The single family home design will be closely aligned with the new houses being developed in the subdivision.

7) The Comprehensive Plan.

The comprehensive plan includes the annexation and re-zoning of the parcel into the Village of Downers Grove and the subsequent construction of an owner occupied single family residence that is consistent with the Village of Downers Grove's future Land Use Plan which denotes the property as a single family detached residential house.

DRAFT

**VILLAGE OF DOWNERS GROVE
PLAN COMMISSION MEETING**

July 11, 2022, 7:00 P.M.

FILE 22-PLC-0015: A PETITION SEEKING ANNEXATION AND REZONING FROM R-1, RESIDENTIAL DETACHED HOUSE 1, R-2, RESIDENTIAL DETACHED HOUSE 2. THE PROPERTY WILL BE ANNEXED WITH THE DEFAULT ZONING OF R-1, RESIDENTIAL DETACHED HOUSE 1. THE PROPERTY IS LOCATED AT THE NORTHEAST INTERSECTION OF 39TH STREET AND DOUGLAS ROAD, COMMONLY KNOWN AS 3859 DOUGLAS ROAD, DOWNERS GROVE, IL (PINS: 06-32-415-034 AND 06-32-415-035). SUHAEL & SUMAIRA AHMED, OWNER AND PETITIONER.

Petitioner, Suhael Ahmed, Naperville, Illinois, stated he appreciated the opportunity to present the petition. He noted that they had purchased the lot about a year ago and subdivided the lot into two lots. Mr. Ahmed explained that the property was located at the northeast corner of 39th Street and Douglas in unincorporated DuPage County and was zoned R4. Currently, the lots are empty and Mr. Ahmed explained that if the lots remained vacant this could become a hazard for the community. Next, the petitioner explained that a rezoning from R-1 to R-2 upon annexation was appropriate because of the existing R-2 zoning for nearby parcels. Mr. Ahmed noted that by annexing and rezoning the property, future construction on the lot would enhance the value of adjacent properties and increase property taxes. The petitioner concluded by stating that the construction of a new home would meet the future land use plan.

Chairman Rickard invited for any additional public comment. No additional public comment was received. Staff was invited to present.

Ms. Flora Leon, Senior Planner, summarized the request stating that the petitioner is requesting approval for a zoning map amendment. She provided a location map and noted that the subject property was located at the northeast intersection of 39th Street and Douglas Road. Ms. Leon provided photos of the existing conditions and stated that demolition of the previous residential structure had already occurred with the proper permits. She then shared a photo of the public hearing sign that was posted and noted that two phone calls were received inquiring more information about the petition. Ms. Leon provided a location map and highlighted the municipal boundary.

Ms. Leon then explained that upon annexation of the parcel, the property would come into the Village with a default zoning of R-1. Ms. Leon reminded the commission that the request in front of the Plan Commission was only for the zoning map amendment. She then provided the criteria for the zoning map amendment and noted that staff believed the criteria had been met. If the board agreed Ms. Leon indicated that a draft motion could be found on page 37 of the agenda for the board's review.

Chairman Rickard asked if the agenda packet had a typo and asked staff to confirm the rezoning was from R-1 to R-2. Planning Manager Zawila confirmed that was correct.

DRAFT

Commissioner Boyle asked if there was another home being proposed on Lot 2. Ms. Leon explained that the rezoning would apply to both Lot 1 and Lot 2. As such the R-2 bulk regulations would need to be met by both lots.

Chairman Rickard asked if the only items under review were the Annexation request and the Rezoning not any construction on the lots. Ms. Leon noted that the only request under the purview of the Plan Commission was the Zoning Map Amendment.

Commissioner Rector asked if Lot 2 was only 10,000 SF. Ms. Leon confirmed that was correct and noted that the area was substandard. However the original lot, included both lots, and this had been subdivided with the County already. The subdivision met the standards of the County not the Village standards since the property is currently unincorporated.

Chairman Rickard invited the petitioner to provide any closing statements.

Mr. Ahmed thanked staff for their assistance with the petition. He then explained that when the lots were subdivided with the County that was approved because the dimension met their subdivision standards.

Chairman Rickard entertained a motion

WITH RESPECT TO FILE 22-PLC-0015 AND BASED ON THE PETITIONER'S SUBMITTAL, THE STAFF REPORT, AND THE TESTIMONY PRESENTED, COMMISSIONER RECTOR MADE A MOTION THAT THE PETITIONER HAS MET THE STANDARDS OF APPROVAL FOR THE ZONING MAP AMENDMENT AS REQUIRED BY THE VILLAGE OF DOWNERS GROVE ZONING ORDINANCE AND IS IN THE PUBLIC INTEREST AND THEREFORE, I MOVE THAT THE PLAN COMMISSION RECOMMEND TO THE VILLAGE COUNCIL APPROVAL OF 22-PLC-0015, SUBJECT TO THE CONDITIONA THAT A SIDEWALK FEE PER CHAPTER 19 WILL BE ASSESSED IN THE AMOUNT OF \$4,125.00
