

VILLAGE OF DOWNERS GROVE
Report for the Village
10/11/2022

SUBJECT:	SUBMITTED BY:
Purchase of Replacement Message Boards	Andy Sikich Public Works Director

SYNOPSIS

A motion is requested to authorize the purchase of two message boards from All Traffic Solutions, State College, PA in the amount of \$25,488.16.

STRATEGIC PLAN ALIGNMENT

The goals for 2021-2023 include *Exceptional Municipal Services*.

FISCAL IMPACT

The FY22 budget does not include funds for this purchase. However, \$50,000 is earmarked in the draft FY23 budget for the purchase of these message boards.

RECOMMENDATION

Approval on the October 11, 2022 consent agenda.

BACKGROUND

The Village uses message boards during various Public Works operations, special events, and for other emergency and non-emergency communications. These message boards are programmable and can be changed to suit the desired purpose. The Village currently owns and operates two 2005 Solar Tech Message boards that are at the end of their useful life, and are no longer operational.

Staff is recommending ordering and taking delivery of these message boards in FY22. Vehicles and equipment have become difficult to obtain, and delivery timelines can be long. Many vehicles that were ordered in 2022 are not expected to be delivered until 2023, and as such there are funds available in the FY22 budget for this purchase. These message boards are critical pieces of equipment, and the manufacturer has indicated that delivery could be made before the end of the year if an order is placed in the near future. As such, staff recommends making this purchase now rather than waiting until FY23, when availability might be more challenging.

Equipment to be purchased:

Quantity	Type of Equip.	Make and Model	Dealer	Price
2	Message Boards	instALERT 24-inch	All Traffic Solutions, State College, PA	\$25,488.16

These purchases are recommended to be made through the U.S. General Services Administration (GSA). GSA is the federal government's purchasing agent that is available to state and local government entities and complies with the provisions of the Village Purchasing Policy. Detailed quote is attached.
