Authorize Purchase of New Plow Assembly	Andy Sikich Public Works Director

SYNOPSIS

A motion is requested to authorize the purchase of one new plow assembly from Lindco Equipment Sales of Merrillville, Indiana. for a total price of \$17,449.19.

STRATEGIC PLAN ALIGNMENT

The goals for 2021-2023 identified *Exceptional Municipal Services*.

FISCAL IMPACT

The FY22 budget includes \$201,600 for Equipment Repair and Maintenance in the Fleet Services Fund.

RECOMMENDATION

Staff recommends approval on the December 6, 2022 consent agenda.

BACKGROUND

Truck 242 is a 2014 Mack 5-Ton Plow Truck. It serves in one of the Village's 10 main routes for snow and ice removal. The plow assembly for this vehicle is in need of repairs and is no longer functional. The cost to repair it is significant, and parts are currently unavailable until mid-January at the earliest. In addition, this plow is shorter than our standard front-line plows (10' wide). As such, staff is recommending the purchase of a new plow assembly for this truck, consistent with the 11' width of the other plows in the fleet. Staff recommends retaining the old plow assembly to be repaired when parts become available and used as a spare in the event of similar future issues on other compatible plow trucks.

Staff recommends approval of the purchase of one 11' snow plow assembly from Lindco Equipment Sales. Lindco assembled this truck when it was purchased new, and are best equipped to supply the compatible replacement plow.
