Consent Agenda - I. A resolution approving an agreement with Axon, Inc. for the purchase of the Axon Officer Safety Plan 7+ Premium Bundle.

1. Does staff anticipate any delays in the delivery of hardware due to supply chain issues?

Staff does not anticipate delays in the delivery of the hardware. Axon Enterprises, Inc. estimates that the Tasers and Virtual Reality equipment will ship in January. There will be a period of several weeks to a few months required to train staff on the use of the equipment prior to deployment.
