RECOMMENDATION

UPDATE & RECOMMENDATION

This item was discussed at the December 13, 2022 Village Council meeting. Staff recommends approval on the December 20, 2022 Consent Agenda.

BACKGROUND

Water Rates

Per the approved FY23 budget, the water rates will be increased to align with the recommendations of the 2019 Water Rate Study. The 2019 Water Rate Study included a model projecting the total cost of owning, operating and maintaining the Village water system. The study recommends that water revenues should be increased in FY20 (effective July 1, 2020) and subsequent years by 4.6% per year.

The following table shows the proposed water rates that will go into effect for bills received after July 1, 2023. The bi-monthly fixed charges by water meter size are consistent with the proposed rates contained in the Water Rate Study.

Bi-Monthly Fixed Charge by Water Meter Size	2022	2023 Proposed
5/8"	\$14.95	\$16.30
1"	\$22.44	\$24.46
1 1/2"	\$74.82	\$81.55
2"	\$119.69	\$130.46
3"	\$224.44	\$244.64
4"	\$374.07	\$407.74
6"	\$748.10	\$815.43
10"	\$1,795.44	\$1,957.03
Bi-Monthly Unit Fee	2022	2023 Proposed
Inside Village	\$6.57	\$6.82
Outside Village	\$7.53	\$7.81

The following table shows how the new water rates will impact typical users in 2023:

User Category	Typical Meter Size	Current Bi-Monthly Bill	Proposed 2023 Bi-monthly Bill
Typical Residential User	5/8"	\$113.50	\$118.60
Typical Commercial User	1.5"	\$731.82	\$763.55
Typical Industrial User	2"	\$1,433.69	\$1,494.46

Stormwater Rates

Per the approved FY23 budget, the stormwater rate will be increased to align with the recommendations of the 2012 Stormwater Study and the 2016 Stormwater Utility Report. The plan called for a stormwater fee that would cover the cost of future capital projects, debt service related to those projects, as well as operational and maintenance costs. The utility model represents an equitable method to collect revenue from those properties that place a demand on the system. Revenue is generated by charging all property owners a monthly stormwater fee, based on the property's impact on the stormwater system. At that time, the Village created a plan for establishing stormwater fees that would increase revenues over a 15-year period, allowing the Village to move from the current level of service to the recommended level within that time frame. The plan calls for annual increases in the stormwater utility fee of approximately 8.7% per year, which would increase the annual revenue available for stormwater management fees from its current level of \$5.2 million in 2021 to about \$10 million in 2029. This fee is expected to produce \$6.2 million in revenues in 2023.

The following table shows how the new stormwater rates will impact a single family resident, a typical commercial user, and a typical industrial user in 2023:

User Category	ERU	Current Bi-Monthly Bill	Proposed 2023 Bi-Monthly Bill
Single Family Residence (2,501-4000 s.f. of impervious area)	1	\$29.30	\$31.86
Typical Commercial User	20	\$586.00	\$637.20

Motion to Fund EDC

The adopted budget includes \$540,000 in funding for the Downers Grove Economic Development Corporation. This amount is consistent with the budget that was prepared by the EDC. Annually, this partner organization will be requesting funding from the Village to support their operations.

Motion to Fund Downtown Management

The proposed budget includes \$400,000 in funding for the Downtown Management Corporation. This amount is consistent with the budget that was prepared by Downtown Management. Annually, this partner organization will be requesting funding from the Village to support their operations.

Employee Administrative Rules (Personnel Manual)

From time to time, revisions to the Village's Personnel Manual are necessary in order to, among other things, respond to changes in State and federal laws and to mirror current personnel practices within the Village. The proposed revisions being presented for consideration include the following:

- New Section 1.1.5 Home Rule Authority - added home rule authority language to confirm that provisions in the Personnel Manual supersede State statutes if there is no preemption language in the statute.
- Section 2 General Provisions - added protected class of "work authorization status" to be compliant with State law.
- Section 2.9.2 Qualification Period - Promotional and Transfer - deleted prohibition on receiving credit for prior years of service if retired and hired in a new position.
- Section 5.4 Victims' Economic Security and Safety Act of 2003 (VESSA) - added category of "or any other crime of violence" to be compliant with State law.
- Other minor miscellaneous changes.

Purchasing Policy

Staff is proposing a change to the Village's Purchasing Policy and corresponding ordinance that reflect current practices and economic conditions. The original purchasing policy was adopted in 1993, and but for a few minor amendments, it has not been updated since that time. The proposed changes include:

- Increasing dollar limits for each level of approval as follows: Director up to \$7,000; Finance Director up to \$15,000; Village Manager up to \$50,000; and Village Council for purchases in excess of \$50,000.
- Formal competitive bidding will be required for purchases in excess of \$25,000; otherwise, verbal or written quotes will be required depending on the dollar amount.

- Additional changes reflect the change in the Village's decentralized purchasing procedures and updates to the current procedures being used, as well as the deletion of repetitive provisions from the policy.

Compensation Plan

The Village maintains a Classification and Compensation Plan for its employees that are not otherwise represented by a collective bargaining unit. The wage and salary ranges that make up this plan have been adjusted annually in recent years. The amendment would increase all ranges by 3.0% and will address external and internal comparability. This increase to the salary ranges, which has been reflected in the attached Compensation Plan, will take effect on the first full pay period of May. This action will not increase actual salaries for any employee, but provides the ability for employees to receive performance-based increases to base pay. Adjustments may be made by the Village Manager at any time during the year.

SECTION 2 - GENERAL PROVISIONS

2.1 Equal Opportunity in Employment

The Village is firmly committed to equality of opportunity in employment. It is the responsibility of the Manager to ensure that employment, training, compensation, promotion and other conditions of employment are provided without regard to race, color, religion, sex, national origin, ancestry, age, sexual orientation, marital or parental status, pregnancy, citizenship status, unfavorable discharge from military service, order of protection status, military status, genetic information, work authorization status and mental or physical disability unrelated to the employee's ability to perform the job, except where it is determined to be a bona fide occupational qualification. Furthermore, it is the responsibility of the Manager to ensure that the Village does not deny equality of opportunity to any qualified individual who is able, with or without reasonable accommodation, to perform the essential functions of the employment position which he or she holds or for which he or she applies. Res. 86-35 (12/1/86); Res. 92-6 (2/10/92); Res. 2014-77 (12/2/14); Res. 2020-23 (6/9/20). Res. 2022-99 (1/1/23).

2.1.1 Accommodations for Pregnant Employees

The Village will provide reasonable accommodations for a medical or common condition for pregnant employees related to pregnancy or childbirth, unless the accommodation would impose an undue hardship on the Village. The Village may request documentation from the employee’s health care provider regarding the need for the requested accommodation. The Village and the employee will engage in a timely, good faith discussion to determine whether a reasonable accommodation can be made. The Village will not retaliate against an employee for requesting a pregnancy accommodation. Res. 2014-77 (12/2/14).

2.2 Relatives of Village Elected Officials

It shall generally be the policy of the Village not to employ relatives of elected Village officials. Once elected, upon swearing in of office, if the employment of immediate family members exists and an actual or potential conflict arises, the Manager and the appropriate Director(s) will endeavor to resolve the conflict by conciliation, transfer or other appropriate action, including discharge. These situations will be resolved on a case-by-case basis. Res. 2014-77 (12/2/14).

2.2.1 Relatives of Village Employees

It shall be the policy of the Village not to employ relatives of Village employees. In the sole discretion of the Manager, relatives of Village employees may be considered for employment where the position could not otherwise be filled. Further, the Manager shall also establish that neither employee would be the direct supervisor of the other prior to consideration of an application for employment. If the employment of immediate family members exists, or is later established, and an actual or potential conflict arises, the Manager and the appropriate Director(s) will endeavor to resolve the conflict by conciliation, transfer or other appropriate action, including discharge. These situations will be resolved on a case-by-case basis. Res.

2014-77 (12/2/14).

2.3 Harassment/Discrimination

2.3.1 Sexual Harassment

It is unlawful to harass a person because of that person's sex. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is the policy of the Village to prohibit harassment of any person by any Village official, Village agent, Village employee or Village agency or office on the basis of sex or gender. All Village officials, Village agents, Village employees and Village agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

The Village shall provide employees a working environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, as defined and otherwise prohibited by State and Federal Law. The Village will not tolerate sexual harassment of any of its officials, employees or agents and will take immediate steps to stop it when it occurs.

Definition of Sexual Harassment

This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Conduct which may constitute sexual harassment includes, but is not limited to:

- Verbal: sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.
- Non-verbal: suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- Visual: posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- Physical: touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- Textual/Electronic: "sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

The most severe and overt forms of sexual harassment are easier to determine. However, some sexual harassment is more subtle and depends, to some extent, on individual perception and interpretation. Sexual harassment will be assessed by what would offend a "reasonable person."

Procedure for Reporting an Allegation of Sexual Harassment

An employee who either observes sexual harassment or believes herself/himself to be the object

of sexual harassment should deal with the incident(s) as directly and firmly as possible by clearly communicating her/his position to the offending individual and her/his immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

Any employee may report conduct which is believed to be sexual harassment, including the following:

- *Electronic/Direct Communication.* If there is sexually harassing behavior in the workplace, the harassed employee should directly and clearly express her/his objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- *Contact with Supervisory Personnel.* At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, his/her Director, the Director of Human Resources, the Ethics Officer, or the Village Manager.

The employee experiencing what he or she believes to be sexual harassment must not assume that the Village is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the Village will not be presumed to have knowledge of the harassment.

Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos and telephone messages.

All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the Village. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

- *Resolution Outside Village.* The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the Village. However, all Village employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within three hundred (300) days of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must be filed within three hundred (300) days.

Prohibition on Retaliation for Reporting Sexual Harassment Allegations

No Village official, Village agent, Village employee or Village agency or office shall take any retaliatory action against any Village employee due to a Village employee's:

1. Disclosure or threatened disclosure of any violation of this policy,
2. Provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
3. Assistance or participation in a proceeding to enforce the provisions of this policy.

For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any Village employee that is taken in retaliation for a Village employee's involvement in protected activity pursuant to this policy.

No individual making a report will be retaliated against even if a report made in good faith is not

substantiated. In addition, any witness will be protected from retaliation.

According to the Illinois Human Rights Act (775 ILCS 5/6-101), it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act. A retaliation charge or complaint with IDHR or EEOC, may be filed within three hundred (300) days of the alleged retaliation.

Consequences of a Violation of the Prohibition on Sexual Harassment

In addition to any and all other discipline that may be applicable pursuant to Village policies, employment agreements, this Manual and/or collective bargaining agreements, any person who violates this policy or the Prohibition on Sexual Harassment contained in 5 ILCS 430/5-65, may be subject to a fine of up to five thousand dollars (\$5,000) per offense, applicable discipline or discharge by the Village and any applicable fines and penalties established pursuant to Village ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the Village shall be separate and distinct from any penalty imposed by a court of law or a State or Federal agency.

Consequences for Knowingly Making a False Report

A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable Village policies, employment agreements, this Manual and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission or officer, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to five thousand dollars (\$5,000) against any person who intentionally makes a false, frivolous or bad faith allegation. Res. 99-70 (11/2/99); Res 18-06 (1/9/18)

2.3.2 Discrimination

The Village shall provide employees a working environment free from unlawful discrimination and/or harassment based on race, color, religion, sex, national origin, age, gender, sexual orientation, marital status, pregnancy, citizenship status, genetic information, physical or mental disability, ancestry, military status, work authorization status, or order of protection status. The Village will not tolerate discrimination and/or harassment of any of its employees and will take immediate positive steps to stop it when it occurs.

Village employees shall not engage in any conduct constituting discrimination and/or harassment.

Discrimination is any hostile or offensive act or expression against a person on the grounds of his/her actual or perceived race, color, religion, sex, national origin, age, gender, sexual orientation, marital status, pregnancy, citizenship status, genetic information, physical or mental disability, ancestry, military status, work authorization status, or order of protection status. Harassment is conduct, verbal or physical, towards another person or identifiable group of persons that has the purpose or effect of:

- a. Creating an intimidating or hostile work environment;

- b. Unreasonably interfering with a person's work environment;
- c. Unreasonably affecting a person's work opportunities; or
- d. Causing an individual to feel intimidated, demeaned or abused.

Harassment may include display or circulation of written materials or pictures degrading to either gender or to racial, ethnic or religious groups; verbal abuse or insults directed at or made in the presence of members of a racial, ethnic or minority group.

A violation of this policy may result in discipline, up to and including discharge. Any person making a knowingly false accusation regarding discrimination and/or harassment will likewise be subject to disciplinary action, up to and including discharge.

Employees are encouraged to report claims of discrimination and/or harassment to their immediate supervisor. If an employee does not feel comfortable reporting claims of discrimination and/or harassment to his/her immediate supervisor or if the immediate supervisor is the alleged accused, an employee may report claims to the Director of his/her department. If an employee does not feel comfortable reporting discrimination and/or harassment complaints to the Director of the department or if the Director is the alleged accused, then an employee may report complaints directly to the Human Resources Director. Such complaints may be oral or written.

When a discrimination and/or harassment complaint is received by either an employee's immediate supervisor or Director, that individual will attempt to conciliate the problem, provided that the problem can be resolved to the satisfaction of all parties involved. If a complaint is resolved internally by the department, the immediate supervisor or the Director shall document the complaint and its resolution and forward a copy to the Human Resources Director. The immediate Supervisor or Director will also have the parties involved verify in writing that they are satisfied with the actions taken in response to the complaint.

If the complaint cannot be resolved within the department or if it requires further investigation, the immediate supervisor or the Director shall report the complaint to the Human Resources Director. The Human Resources Director shall promptly begin an internal investigation. This investigation shall include interviewing the complainant, the accused, and any and all other parties who may possess information relevant to the complaint. The investigator shall take into consideration all relevant circumstances relating to the complaint. Where the investigation confirms the allegations, the Village shall take prompt corrective actions, including but not limited to, disciplinary action, up to and including discharge. Appeals of disciplinary actions may be requested in accordance with the provisions in Section 6 of this Manual.

The right to confidentiality, both of the complainant and the accused, will be respected consistent with the Village's legal obligations and with the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred.

There shall be no retaliation against employees for good faith reporting of discrimination and/or harassment or assisting the Village in the investigation of such complaints. Res. 88-41 (8/29/88); Res. 2014-77 (12/2/14); Res. 2020-23 (6/9/20). Res. 2022-99 (1/1/23).

2.4 Whistleblower Protection Policy

The Village provides whistleblower protections in two important areas: confidentiality and against retaliation. The confidentiality of a whistleblower will be maintained to the extent allowable by law; however, an identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. A whistleblower may

waive confidentiality in writing. The Village shall not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. There are several state statutes that provide protection to whistleblowers.

Public Officer Prohibited Activities Act (50 ILCS 105/4.1)

The Auditing Official may reinstate, reimburse for lost wages or expenses incurred, promote or provide some other form of restitution to whistleblowers that were subjected to adverse actions for reporting improper government action. In instances where the

Auditing Official determines that restitution will not suffice, the Auditing Official may make the investigation findings available for the purposes of aiding in that employee's, or the employee's attorney's, effort to make the employee whole.

The Auditing Official or designee must provide each employee a written summary or a complete copy of Section 4.1 of the Public Officer Prohibited Activities Act as well as a copy of this policy upon commencement of employment and at least once each year of employment.

The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to discipline, up to and including termination.

Any whistleblowers who believe they are being retaliated against must submit a written report to the Auditing Official within sixty (60) days of gaining knowledge of the retaliatory action. If the Auditing Official is the individual doing the improper governmental action, then a report may be made to the DuPage County State's Attorney. The right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

2.5 HIPAA

The Village strives to protect the privacy of its employees' medical information to the greatest possible extent. To accomplish this, the Village and its employees are required to follow these guidelines regarding the confidentiality of medical information:

- a. All medical information concerning employees will be maintained in separate, confidential medical files that are stored apart from regular personnel records. Only authorized employees will have access to such files, and access will be provided solely on a need-to-know basis. Furthermore, such access shall be granted only in accordance with applicable law, which includes but is not limited to the Americans with Disabilities Act, the Occupational Safety and Health Act, the Family and Medical Leave Act, the Federal Rehabilitation Act, State workers' compensation law and state privacy laws.
- b. Employees are hereby notified that medical information concerning employees is absolutely confidential under State and Federal laws and may not be discussed at any time with any person under any circumstances. Exceptions are if an employee needs to do so in order to carry out his or her job duties, or if the person discussing the information is talking with the subject of the information at that person's invitation. The Human Resources Director is the Privacy Official. He/She is responsible for ensuring compliance with this policy. If an employee is concerned about a co-worker's possible medical condition or if there is a complaint regarding possible improper disclosure of confidential medical information, the employee should direct these concerns only to the Human Resources Director and no one else. The Privacy Official will document any complaint or inquiry.
- c. Any employee who is found to have discussed medical information about another employee in violation of this policy, or who is found to have released such information without authorization, will be subject to disciplinary action, up to and including immediate

discharge from employment. In addition, employees who violate medical information confidentiality may be subject to civil and criminal liability under State and Federal laws. (For informational purposes, civil monetary penalties for each individual failure to comply is one hundred dollars (\$100) per violation and is capped at twenty-five thousand dollars (\$25,000) for violations of the same provision. Federal criminal penalties for wrongful disclosure or receipt of individual identifiable health information can be fifty thousand to two hundred fifty thousand dollars (\$50,000 - \$250,000) in fines and imprisonment from one (1) to ten (10) years.) However, in the event an employee voluntarily discloses information to an employee or other person in a social setting, such self-disclosure shall act as a waiver to any liability.

- d. Employees are hereby notified that each individual employee has the following rights with regard to their personal and confidential medical information:
1. to request restrictions on uses and disclosures of such information;
 2. to access, inspect or copy their own information from the Village's records;
 3. to request amendments to their own information;
 4. to receive an accounting of all disclosures of such protected information made for purposes other than treatment, payment or healthcare operations and authorizations.

The Department of Human Resources has forms for all of the above-stated types of requests.

- e. All access to medical records must be approved by the Human Resources Director. If an employee believes that this medical information confidentiality policy has been violated, he or she should contact the Human Resources Director as stated in Section 2.5(b). Inappropriate office attire is generally characterized as worn or tattered material, ripped material, stained material, tank tops, t-shirts that feature pictures/logos advertising alcohol or tobacco products and shorts or skirts that are more than four inches above the knee. Common sense should prevail when employees choose clothing for the Village and take into account the professional business atmosphere that is expected of a municipal organization. It is also recognized that Fridays are commonly referred to in Village offices as a casual day and while denim clothing may be appropriate on this day in limited circumstances, Village employees should take care to wear casual clothing that is clean, pressed and free of visible wear.

If an employee's identification card is lost or damaged, the employee should contact the Human Resources Department to obtain a new one. Employees are encouraged to wear their identification card while visiting other departments and employees are required to have their identification card with them while conducting Village duties in public.

2.21 Access to Personnel File

The Village shall maintain an official personnel file for each employee with the Department of Human Resources. Employees may request to inspect their personnel file at any time by providing a written request to the employee's Director, who will then notify the Human Resources Director. The Human Resources Director will determine a mutually-agreed-to place and time when access to the employee's personnel file will take place during regular business hours.

2.22 Solicitation and Distribution

- a. Employees are expected to devote their full attention to their assigned work during their working time. Accordingly, except for requests for contributions for gifts or receptions specifically to honor employees on their retirement, resignation from Village employment,

Res. 84-29 (6/18/84); Res. 86-35 (12/1/86); Res. 2014-77 (12/2/14).

2.24 Abandonment of Position

When an employee is absent from work three (3) days or longer without authorization for the absence from his/her Director or Manager as the case may be, this shall be construed as job abandonment and the employee shall be deemed to have resigned his/her employment position. Provided, in this event the Village shall send notice to the employee by registered or certified mail at the employee's address as shown on the records of the Human Resources Department. The notice shall advise the employee that the employee has been deemed to have resigned from his/her employment position with the Village, setting forth the basis therefore and advising the employee of his/her right to appeal pursuant to Section 6 of this Manual.

2.25 Voluntary Resignation

An employee may resign by submitting his or her resignation to his/her Director. The resignation shall specify the date on which the resignation shall take effect; generally, this should be a minimum of two (2) weeks from the submittal of the resignation. The resignation shall take effect on said effective date. Once the resignation is submitted, the resignation may not be withdrawn prior to taking effect unless the Human Resources Director, for reasons promoting the efficiency of the service, determines to allow such a withdrawal. Res. 2014-77 (12/2/14).

2.26 Reduction in Force; Layoff

- a. A Director, with consent of the Manager, may layoff any employee without prejudice because of a reduction in force due to lack of funds, consolidation or re-organization of functions, curtailment of work or elimination of an employment position. Whenever layoffs are determined to be necessary, they shall be based upon the needs of the Village taking into consideration the ability and qualifications of the employees involved. All things being equal, layoffs will generally be in reverse order of total service within that employment position within the Village. Provided, this seniority based process shall only apply when the Director determines that, based upon the anticipated needs of the Village, the qualification of the employees to perform the available work and the past performance of the affected employees are substantially equal. Otherwise, those employees best meeting the needs of the Village and best qualified to perform the work shall be retained and the reasons therefor shall be reported to the Human Resources Director and the Manager.
- b. In lieu of layoff, a Director may, with the consent of the Manager, offer an employee an alternative employment position, including a part-time position, provided one is vacant and the employee is qualified to perform the duties of the alternative position. Provided, there shall be no right to such alternative position and the employee shall take such position subject to the pay and benefits in effect for such alternative position. Provided further, nothing herein shall be construed to confer any right to bump less senior employees, it being understood that the decision to offer an alternative position is within the sole and unfettered discretion of the Village.
- c. There shall be no bumping. In particular, and without limitation, employees laid off shall not have the right to bump employees with less employment seniority. For the purpose of this rule, bumping shall mean a more senior employee, in terms of employment time with the Village, who has been laid off being assigned to an equivalent or lower ranking position that results in the displacement of the incumbent employee in such equivalent or lower ranking position.
- d. Any employee laid off may appeal in writing directly to the Manager within seven (7) calendar days of the receipt of the written notice of a reduction in force pursuant to Section 6.4 of this Manual, or such successor provision as may be adopted.
- e. The names of employees who have been laid off shall be placed on an appropriate re-employment list maintained by the Human Resources Director. Employees with a satisfactory employment record who are involuntarily separated from the Village service through no fault of their own shall be placed on appropriate class re-employment lists in the order of their years of continuous service with the Village regardless of class. Employees with the same total years of service shall be placed on the list for the class in question in order of their final performance evaluation. The eligibility of all candidates on class re-employment lists shall expire one (1) year from the date of their separation from the Village service. Candidates will be removed from the re-employment list if they fail to return to work within seven (7) business days after receiving notice by registered or certified mail of his or her recall.
- f. Recall rights. Whenever the Village fills a vacancy in a full-time position of employment it shall prior to offering the position to any other person, offer the position to the person of highest continuous service in the class with the Village who at that time is on layoff status. Persons who have been on layoff status for more than one (1) year at the time the vacancy is filled are not entitled to this recall. If no such person entitled to the vacancy accepts the offer, the Village may proceed to fill the vacancy.
- g. This Section does not create, and shall not be construed as creating, any contract or offer to contract with the Village. No property or tenure rights in employment shall be created, or deemed to be created, by this Section. All provisions of this Section are subject to

change, at the sole discretion of the Village, at any time, with or without notice. No policy, benefit or procedure set forth in this Section implies, or may be construed to imply, that it or any portion thereof is an employment contract.

If the employee's chosen and the Village's health care providers disagree about any of the information in the certification, the parties will mutually select a third medical provider at the Village's expense. The decision of the third provider shall be final and binding.

5.1.7 FMLA Leave - Scheduling Leave

- a. Advance notice is required for foreseeable or planned leave. An employee must provide the Village with at least thirty (30) days notice of the need for FMLA leave for birth, adoption, foster care or planned medical treatment for a serious health condition of the employee or family member or for a serious injury or illness of a covered service member when the need for the leave is foreseeable. In any case in which the need for FMLA

leave is foreseeable based on planned treatment or supervision, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt the Village's operational needs. In any case in which the necessity for qualified exigency leave due to active duty of a family member is foreseeable, whether because the spouse, child, or parent of the employee is on active duty, or because of notification of an impending call or order to active duty in support of a contingency operation, the employee shall provide such notice to the Village as is reasonable and practical.

- b. When the need for a FMLA leave request is unforeseeable, notice should be as soon as practicable.

Res. 2014-77 (12/2/14)

5.1.8 FMLA Leave - Partial Absences

- a. Some FMLA leave can be taken intermittently or on a reduced schedule. By way of example, employees may take leave in noncontiguous increments, e.g. every afternoon, every Friday, one week each month, etc.
- b. Family leave for birth, adoption or foster care can only be taken on an intermittent or reduced leave basis with the approval of the Manager.
- c. Medical leave may be scheduled as medically necessary. Provided, the employee must make a reasonable effort to schedule the treatment so as not to disrupt Village operations.
- d. The Village may temporarily transfer an employee after taking intermittent or reduced scheduled leave to an employment position more suitable for recurring periods of absence to better accommodate the leave. Employee wages and benefits will remain the same as though no transfer had occurred during the transfer period.

Res. 2014-77 (12/2/14)

5.1.9 FMLA Leave - Denial

- a. The Manager may deny a requested FMLA leave if the employee fails to provide proper advance notice, unless the employee was unable to comply because of the need for emergency health care.
- b. The Village may deny a requested leave if the employee does not provide the required medical certification after being requested to do so, unless the employee was unable to comply because of the need for emergency health care.

5.1.10 FMLA Leave - Use of Available Paid Leave

An employee shall utilize available paid sick, vacation, compensatory time, and holiday (including floating holiday time, earned time, etc.) leave benefits before unpaid FMLA leave is commenced. For purpose of this section, accumulated sick leave shall be utilized only to the extent that the sick leave privilege may be used pursuant to section 4.3.3 of this Manual. Res. 96-11 (2/13/96) (6/19/01).

Paid leave taken herein shall be counted as FMLA leave against the total FMLA leave permitted within any twelve (12) month period.

5.1.11 FMLA Leave - Benefits

- a. During the period an employee is on FMLA leave, the Village will continue to provide group health insurance coverage under the same conditions as it did before the leave began.

- b. Employees using accrued paid sick, vacation and holiday (including floating holiday time, earned time, etc.) leave benefits as part of their FMLA leave remain on full employment status and continue to accrue, and may utilize, benefits during such paid portion of their FMLA leave. Such accrual and use will cease, if and when, such employee goes on FMLA leave not covered by accrued paid sick, vacation and holiday (including floating holiday time, earned time, etc.) leave benefits.
- c. Except as provided herein, an employee is not entitled to accrue employment benefits while on FMLA leave. This includes, but is not necessarily limited to, sick, vacation and holiday leave benefits.
- d. Employees on unpaid FMLA leave must make arrangements with the Village to pay the employee's share of health insurance premiums. If the employee's payment is more than thirty (30) days late, the Village may, upon written notice to the employee, terminate health insurance coverage. If an employee fails to return to work for a reason other than the qualifying FMLA event or due to circumstances beyond the employee's control, the employee shall be required to reimburse the Village for the cost of the premiums the Village paid to continue health insurance coverage during the unpaid leave.

Res. 96-11 (2/13/96); Res. 2014-77 (12/2/14)

5.1.12 FMLA Leave - Return from Leave

- a. A return date shall be agreed to by the employee and the Manager at the time FMLA leave is granted. Generally, this will be the probable return date specified in the employee's application, but must always be within the permitted FMLA leave period.
- b. An employee may advance the designated return date by serving written notice on the Manager not less than thirty (30) days before the desired alternative return date. Provided, such alternative return date must be within the FMLA leave period available to the employee. The Manager may waive such thirty (30) day notice if the employee requests to promptly return and an employment position is available.
- c. An employee may request an extension of the FMLA leave by making application to the Village in the same manner as on the original application. Provided, such extension may not be granted in excess of the total FMLA leave period available to the employee.
- d. An employee returning from FMLA leave will be placed in the employment position held before the leave began, if the employment position is vacant. If the former employment position is not vacant, the employee will be returned to an equivalent employment position having equivalent employment benefits, pay, and other terms and conditions of employment.
- e. Prior to returning to work, an employee must present to the Human Resources Director a physician's written statement certifying that the employee is capable of returning to work and performing, either with or without reasonable accommodations, the essential functions of the employment position involved.

The request, along with the written recommendation of the Director, shall be forwarded to the Manager for authorization.
- b. Authorization for such a leave shall be within the sole discretion of the Manager whose decision will be based upon the operational needs of the department, the work record of the individual and the reason for the request. Approval of such request shall not be deemed usual and customary.
- c. An employee is required to exhaust all available paid vacation and holiday benefits leave before unpaid general leave of absence is commenced.

5.2.2 General Leave of Absence - Benefits

- a. For the remainder of the month during which a general leave begins, and for one (1) calendar month thereafter, the Village will continue to provide group health insurance coverage under the same conditions as it did before the leave began. Subsequently, such insurance coverage, if desired by the employee and otherwise available through the Village, shall be fully paid by the employee through the duration of the leave. Employee will be required to pay one hundred percent (100%) of a calendar month health insurance cost.
- b. With the exception of group health coverage, an employee is not entitled to accrue any other employment benefit while on a general leave of absence. This includes, but is not necessarily limited to, vacation, sick and holiday leave.

5.2.3 General Leave of Absence - Duration

A general leave of absence may be granted for up to twelve (12) weeks. Extensions may be granted for additional periods of up to twelve (12) additional weeks, not to exceed a total of twenty-four (24) weeks. In addition, extensions may be granted at the discretion of the Manager.

5.2.4 General Leave of Absence - Return to Duty

- a. A return date shall be agreed to by the employee and the Manager at the time the general leave is granted. Generally, this will be the probable return date specified in the employee's application.
- b. An employee may request to advance the designated return date by serving written notice on the Manager not less than thirty (30) days before the desired alternative return date. The Manager may waive such thirty (30) day notice if the employee requests to promptly return and an employment position is available.

An employee may request an extension of the general leave by making application to the Village in the same manner as on original application.

- c. Prior to reinstatement after a general leave of absence for a medical condition, an employee must present to the Human Resources Director a physician's written statement certifying that the employee is capable of returning to work and performing, either with or without reasonable accommodations, the essential functions of the employment position involved.

5.4 Victims' Economic Security and Safety Act of 2003 (VESSA)

It is the policy of the Village to comply with the provisions of the Victims' Economic Security and Safety Act of 2003 (VESSA). Accordingly, all eligible Village employees shall be entitled to VESSA leave, on a gender neutral basis, provided the leave is taken in accordance with this Section of the Manual. Eligible employees shall be allowed VESSA leave for one or more of the following:

- a. to seek medical attention for, or recovery from, physical or psychological injuries caused by domestic, gender, sexual violence or any other crime of violence to the employee or the employee's family or household member;

Res. 2022-99 (1/1/23).

5.4.1 VESSA Leave - Eligible Employee

"Eligible employee" for purposes of VESSA shall mean a part-time or full-time employee, who is a victim of domestic, sexual or gender violence, or any other crime of violence, or who has a family or household member who is a victim of domestic, sexual or gender violence, or any other crime of violence (provided the employee is not the perpetrator). Res. 2014-77 (12/2/14); Res. 2020-23 (6/9/20). Res. 2022-99 (1/1/23).

5.4.2 VESSA Leave - Term of Leave

Eligible employees shall be entitled to twelve (12) weeks unpaid leave in a twelve (12) month period, which shall be calculated based upon the twelve (12) months starting with the first day of the employee's previous leave under either the FMLA or this policy, and shall be subject to the following:

- a. the employee must state a qualifying reason for the leave to allow the Village to determine whether the purpose for the leave is one permitted under the Act and this policy;
- b. the entitlement to leave under the Act and this policy is not in addition to the twelve (12) week leave period provided for under the Family Medical Leave Act ("FMLA");
- c. leave taken under this policy which also qualifies as FMLA leave shall run concurrently under both VESSA and FMLA, and shall be counted against the twelve (12) week entitlement under both VESSA and FMLA;
- d. leave may be taken on an intermittent basis (in separate blocks of time) or on a reduced schedule (reducing the usual number of hours per week or per day).

Res. 2014-77 (12/2/14)

5.4.3 VESSA Leave - Notification of Leave and Certification Requirements

When the leave is foreseeable, the employee is required to notify the Village of the intention to take leave pursuant to this policy not less than forty-eight (48) hours before the date the leave is to begin. If the circumstances require the leave to begin in less than forty-eight (48) hours, the employee shall notify the Village as soon as practicable. The Village may deny an employee's leave request should the employee fail to provide timely advance notice for foreseeable leave. The Village may require that employees seeking leave under this policy submit a certification stating that:

- a. the employee or a member of the employee's family or household is a victim of domestic, sexual or gender violence, or any other crime of violence; and
- b. the leave is for one of the purposes enumerated in Section 5.4.

For foreseeable leaves, the certification shall be provided to the Village within seven (7) calendar days from the date the Village requests such certification or as soon thereafter as practicable. For unforeseeable leaves, the employee is required to provide certification as soon as is practicable, under the particular circumstances, after the date the Village requests such certification. The certification shall contain a sworn statement of the employee, and upon receiving such documents, the employee shall provide the employer copies of:

- a. documentation from a representative of the victim services organization, an attorney, clergy member, physician or other professional from which assistance was sought in addressing domestic, sexual or gender violence, or any other crime of violence and its effects;
- b. a police or court record; or
- c. other corroborating evidence. Res. 2020-23 (6/9/20). Res. 2022-99 (1/1/23).

5.4.4 VESSA Leave - May Use Available Paid Leave.

- a. An employee may utilize available paid vacation, compensatory time and personal (floating holiday time) leave before unpaid VESSA leave is commenced. When an employee has exhausted all accrued paid vacation, compensatory time, and personal leave for a portion of the VESSA leave, an employee may utilize available paid sick leave for the remainder of the VESSA leave. Under no circumstances shall the VESSA leave exceed twelve (12) weeks.
- b. Paid leave taken as provided in sub-section (a) above shall be counted as VESSA leave against the total VESSA leave permitted within any twelve (12) month period.

5.4.5 VESSA Leave - Confidentiality

All information provided to the Village under this policy, including any certifications or any other documentation, record or corroborating evidence, and the fact that the employee has requested or obtained leave pursuant to this policy, shall be maintained as confidential, except to the extent that disclosure is:

- a. requested or consented to in writing by the employee; or
- b. otherwise required by applicable law.

5.4.6 VESSA Leave - Maintenance of Health Benefits

The Village shall maintain the employee's group health plan coverage for the duration of leave taken pursuant to this policy on the same basis, at the same level and under the same conditions coverage would have been provided had the employee not taken the leave. The Village and the employee shall continue to pay their respective applicable shares of the health care premiums during the duration of the leave. The Village may recover its share of premium payments made on behalf of the employee during the period of leave if the employee fails to return to work after the leave entitlement has been exhausted; provided that the employee fails to return to work for reasons other than the continuation, recurrence or onset of domestic or sexual violence that entitles the employee to leave pursuant to this policy; or because of other circumstances beyond the control of the employee. Certification as described in Section 5.4.3 may be required for employees unable to return to work for the above-noted reasons. If the employee substitutes paid leave for unpaid leave under this policy, his/her share of the health care premiums shall be paid by the method the Village normally utilizes during any employee's paid leave. If the leave is unpaid, the employee shall pay his/her share of the premium, at the same time it would be made if it were made by payroll deduction.

5.4.7 VESSA Leave - Return to Employment

At the end of the leave period taken pursuant to this policy, the employee shall be returned to the position held immediately prior to taking the leave. If that position is unavailable, the Village shall return the employee to an available position the employee is qualified to hold with equivalent pay and benefits and other terms and conditions of employment. The right to reinstatement ceases and the employment relationship between the employee and the Village will be deemed terminated if the employee informs the Village of his/her intent not to return to his/her employment at the end of the leave period.

5.4.8 VESSA Leave - Non-discrimination

The Village will not fail to hire, refuse to hire, discharge or harass, retaliate against or otherwise discriminate against any individual in any form or manner, because:

- a. the individual:
 1. is or is perceived to be a victim of domestic, sexual or gender violence, or any other crime of violence;
 2. attended, participated in, prepared for, or requested leave to attend, participate in or prepare for a criminal or civil court proceeding relating to an incident of domestic, sexual or gender violence, or any other crime of violence, of which the individual or a family or household member of the individual was a victim; or
 3. requested an accommodation in the workplace in response to actual or threatened domestic, sexual or gender violence, or any other crime of violence, regardless of whether the request was granted;

4. exercised any rights provided for in the Act or this policy, or opposed any practice made unlawful by the Act (including filing charges or proceedings under the Act, providing information in connection with any proceeding under the Act, or testifying - or is about to testify - in any proceeding under the Act).
- b. the workplace is disrupted or threatened by the action of a person whom the individual states has committed or threatened to commit domestic, sexual or gender violence, or any other crime of violence against the individual or the individual's family or household member. Res. 2020-23 (6/9/20). Res. 2022-99 (1/1/23).

5.5 School Visitation Rights Act

Employees scheduled to work full-time or part-time twenty (20) hours per week or more are eligible to request school visitation leave after they have at least six (6) consecutive months of service with the Village. Up to a total of eight (8) hours per year, but no more than four (4) hours on any given day, may be granted for school conference and activity leave if these activities cannot be scheduled during non-working hours. The employee must have exhausted all accrued vacation, holiday or any other leave, except sick leave or disability leave, before requesting school visitation rights leave.

- a. The employee must provide written notice to the Village at least seven (7) days in advance of the leave. In an emergency situation, no more than twenty-four (24) hours notice will be required.
- b. Upon completion of the school visitation rights leave, the school administrator must provide the parent/guardian documentation of the school visitation/activity. The employee must submit this verification to the Village within two (2) working days.

An employee who utilizes or seeks to utilize the rights afforded by the School Visitation Rights Act may choose the opportunity to make up the time so taken as guaranteed by this Act on a different day or shift as directed by the Village. An employee who exercises his/her rights under the Act will not be required to make up the time taken, but if such employee does not make up the time taken, he/she will not be compensated for the time taken. Time made up will be paid at the same rate as paid for normal working time. If no reasonable opportunity exists for the employee to make up the time taken, the employee will not be paid for the time. A reasonable opportunity to make up the time taken does not include the scheduling of make-up time in a manner that would require the payment of overtime. Res. 2022-99 (1/1/23).

SECTION 6 - GRIEVANCES AND APPEALS

6.1 Grievances and Appeals Procedure

Employees are encouraged to promptly discuss with their supervisor any work-related problem. It is the policy of the Village to endeavor to conduct personnel actions that are fair and to provide an open line of communication with all employees. Once identified, most problems can be resolved in a direct and open manner. However, it is recognized that certain issues may not be resolved in this manner and, therefore, a formal written procedure has been established for employees to pursue an appeal. Res. 81-38 (6/8/81).

The Human Resources Director is available to the employee and the supervisor to discuss the problem and the appeal procedure. In any case, the Human Resources Director shall be notified of such appeal. In certain unusual circumstances, it may be justified for the employee to talk to the Human Resources Director initially.

For the purpose of this Section, calendar day shall not include a holiday as designated by the

Village herein.

6.2 Step 1 - Written to Direct Supervisor

Unless a different procedure is set forth in a collective bargaining agreement, an employee who wishes to appeal an action taken by his/her supervisor shall file a written statement with the direct supervisor within seven (7) calendar days from the effective date of the supervisor's action. Such written statement shall state:

- a. the action which is being appealed; and
- b. the reason(s) the action is being appealed.

The supervisor shall be responsible for making inquiry into the facts and circumstances of the appeal and providing the employee with a written decision within seven (7) calendar days after receipt of the statement. A copy of this decision is to be given to the Director and the Human Resources Director. Res. 74-52 (10/21/74); Res. 81-38 (6/8/81); Res. 2014-77 (12/2/14); Res. 2020-23 (6/9/20).

6.3 Step 2 - Appeal to Director

If the employee has pursued an appeal under Step 1 of this section and is not satisfied with the decision of his/her direct supervisor, the employee may appeal the action or decision to the Director as provided herein. The appeal shall be in writing and shall be filed within seven (7) calendar days from the effective date of the supervisor's decision. Such written statement shall state:

- a. the action which is being appealed; and
- b. the reason(s) the action is being appealed.

The Director shall make a separate investigation and provide the employee with a copy of the written findings and decision within seven (7) calendar days after receipt of the employee's appeal. A copy of the decision shall be provided to the Human Resources Director. Res. 74-52 (10/21/74); Res. 81-38 (6/8/81); Res. 2014-77 (12/2/14).

6.4 Step 3 - Final Appeal to the Village Manager

If the employee has pursued an appeal under Step 2 of this section and is not satisfied with the decision of the Director, the employee may appeal the decision, in writing, within seven (7) calendar days of the Director's decision, to the Manager. Such written statement shall state:

- a. the action which is being appealed; and
- b. the reason(s) the action is being appealed.

The Manager or the Manager's designee shall consider the information provided and may, at the Manager's sole discretion, conduct an informal meeting with the employee and other involved individuals. The Manager will render in writing his/her findings and decision within fourteen (14) calendar days after receiving the request for review, or as otherwise extended with the consent of the employee. Copies of the finding and decision shall be provided to the employee, the Human Resources Director and Director. The Manager's decision shall be deemed final. Res. 74-52 (10/21/74); Res. 80-38 (6/16/80); Res.81-38 (6/8/81); Res. 86-35 (12/1/86).

SECTION 7 - POLITICAL ACTIVITY

All employees are urged to exercise their individual right to vote as citizens. No employee may use his or her official position to coerce or inhibit others in the free exercise of their political rights.

No employee shall engage in political activities while at work, or on duty, or while wearing or utilizing any equipment, wearing apparel or supplies owned or provided by the Village. Res. 74-52 (10/21/74); Res. 86-35 (12/1/86).

Unless otherwise provided by law, an employee of the Village shall not be allowed to serve as an elected official of the Village or be appointed to a Village Board or Commission, except in cases where the Village Board/Commission specifically calls for a seat to be held by a Village employee or a retired employee (e.g. Police Pension Board). Any employee seeking an elected office of the Village shall first apply to the Manager for a leave of absence before filing a petition for the elected office. Said leave of absence shall continue until the employee loses the election, withdraws from the election, or is elected. If elected, the employee shall be deemed to have resigned upon swearing into office.

Res. 2014-77 (12/2/14)

SECTION 8 - DISCIPLINARY ACTIONS

8.1 General

- a. Except for employees under the jurisdiction of the Board of Fire and Police Commissioners, employees of the Village are "at will" employees and may be removed at any time, with or without cause. Adverse actions taken regarding an employee shall be classified as either disciplinary or non-disciplinary in nature.
- b. Employees are expected to maintain reasonable standards of conduct and performance, and display a proper regard for the welfare and rights of other employees and the citizens of Downers Grove. To ensure that employees clearly understand the policies, rules, and procedures, and that disciplinary actions are applied on an equitable and consistent basis, certain guidelines have been established. Provided, nothing herein is intended, nor should it be interpreted as, requiring cause to discharge an employee.
- c. Although an employee may be discharged for the good of the service, with or without cause, in general, where a disciplinary action is considered, in determining the degree or type of discipline applicable to an offense, the decision maker shall take into account the seriousness of the offense, the employee's previous work record, and other such information related to the offense. It is the general policy of the Village to apply progressive discipline where possible. However, persons who commit serious first offenses will receive appropriate discipline, up to and including discharge. The Human Resources Director is available for any consultation on disciplinary action and shall be advised in writing by the appropriate Director of such in all cases that progress beyond oral reprimand.
- d. Nothing herein shall apply to reductions in force or job reassignments due to reorganization or economic decision of the Village. The Village reserves the sole right to determine staffing levels and organizational structure. Any demotion, reassignment or discharge arising out of such reorganization or economic decision shall not be considered discipline.

Res. 74-52 (10/21/74); Res. 86-35 (12/1/86).

8.2 Guide for Determining Unacceptable Behavior

In addition to other guidelines outlined in this Manual, administrative regulations issued by the Manager, and relevant rules of the various departments, the Village has established certain minimum standards of conduct. The following are examples of acts and practices for which disciplinary action is appropriate. The illustrations of offenses listed are not intended to be all-inclusive; rather, the illustrations provide a general guide for determining unacceptable behavior.

- a. Incompetency, inefficiency, or negligence in the performance of duties.
- b. Any act which endangers the safety, health, or well-being of an employee or citizen, or which is of sufficient magnitude that the consequences cause or act to cause disruption of work or discredit the Village.

Res. 86-35 (12/1/86); Res. 2014-77 (12/2/14).

8.3 Forms of Discipline

8.3.1 Oral Reprimands

Oral reprimands will be used for minor misconduct or performance problems or for first offenses where the offense is not of a sufficiently serious nature to warrant more severe disciplinary action. An oral reprimand is the lowest level of discipline. Oral reprimands will be documented on a PA and will be placed in the employee's personnel file. Res. 2022-99 (1/1/23).

8.3.2 Written Reprimands

Written reprimands will be used for repeated misconduct of a minor nature or for more serious misconduct which does not warrant suspension, a reflection day, dismissal or demotion.
