Addendum to IDOT IL 56 Project Intergovernmental Agreement	Scott Vasko Director of Engineering

SYNOPSIS

A resolution has been prepared to authorize an addendum to an Intergovernmental Agreement (IGA) between the Village and the State of Illinois to provide funds for the Traffic Signal Modernization Improvements required as part of the IL 56 Project.

STRATEGIC PLAN ALIGNMENT

The strategic goals for 2023-2025 include *Top Quality Infrastructure*.

FISCAL IMPACT

Village Council previously approved \$31,050.00 in relation to its obligations under the IGA. Upon further IDOT review, the Village's actual cost for the project is \$54,050.00. The FY2024 budget includes \$180,000 in the Capital Improvement Fund for this project. The required additional funds are available in the Capital Improvement Fund.

RECOMMENDATION

Approval on the February 13, 2024 Consent Agenda.

BACKGROUND

On June 6, 2023, the Village Council approved an Intergovernmental Agreement with the Illinois Department of Transportation ("IDOT"), for making improvements to the traffic signals along IL 56 to facilitate proposed improvements. The scope of work includes traffic signal modernizations, intersection widening, enhanced interconnection between traffic signals, and improved pedestrian facilities. Pursuant to the Agreement, the Village is responsible for paying the costs relative to its share of the work. During IDOT's recent review of the project, it was discovered that the Village's share of certain costs for the work at the intersection of IL 56 (Butterfield Road) and Lloyd Avenue/Woodcreek Drive should have been calculated as 10% of the total cost instead of the 5% previously approved by the Village.

Staff recommends approval of the addendum to the existing Agreement with IDOT.
