#### **Consent Agenda - E. Resolution: Abrogating Certain Public Easements in the Village of Downers Grove for 529 Franklin Street**

*1. Are we charging for the vacation of the easement?*

No. The easement was granted to the Village and utility companies when the homeowner administratively consolidated the property in 2017. There are no utilities within this easement. Unlike vacations of public right of ways, the Village does not charge fees for abrogations of public easements.
