ORD 2024-10332 A. Ordinance: Authorizing a Special Use for 5133 Main Street to Permit Multi-Family Units on the Second Floor and a Parking Variation

- 1. How many other apartment buildings do not provide parking in our downtown? What is the age of those buildings? Do they provide parking in the garage, too? How many units total fit this description?*

The only other multi-family building in the downtown that does not provide any on-site parking is 1008 - 1010 Curtiss Street (Curtiss St. apartments). The building includes 18 apartments. According to Downers Grove Township records, this building was built in 1918. Parking garage permits are available for 1008 - 1010 Curtiss Street.
