GENERAL INFORMATION AND RESPONSES TO MAYOR & COMMISSIONER REQUESTS**

Spring 2024 Tree Planting

Parkway tree planting is scheduled to begin Monday, June 10. All plantings should be completed by June 17 weather dependent. A total of 137 trees will be planted representing 27 different tree species, including 6 unique oak species. Of the 137 trees, 37 are new tree plantings where there was no tree before, and the remaining 100 trees are replacements for trees removed due to EAB infestations, disease, decline or storm damage. Also, the Village will be honoring 55 specific tree species requests, thereby improving resident satisfaction and the likelihood of long-term tree survival.
