

rRemarks Data for October 1, 2024 Village Council Meeting

Agenda Section & Item: Active - ORD 2024-10458 A. Ordinance: Amending Provisions Concerning the Impoundment of Animals

Commenter: Christina

Comment: It's a bit embarrassing that no one realized the new building didn't have enough space to house our communities lost pets. If this ordinance passes it will overwhelm Dupage County Animal Control's kennel space. More importantly, a distressed pet owner shouldn't have to drive to Wheaton. Make more space in the community building; fix your mistake.

Agenda Section & Item: Active - ORD 2024-10458 A. Ordinance: Amending Provisions Concerning the Impoundment of Animals

Commenter: John Schofield

Comment: Wouldn't it be a lot easier -- on both Village staff and animal owners -- to provide temporary holding at the West Suburban Humane Society, which is within Downers Grove borders?
