My proposed language for the question is:

"Shall the Downers Grove Public Library become an independent unit of government, with its own levy and a separately elected library board of trustees chosen by and directly accountable to residents of the community?"

Pursuant to Village Council policy, this topic shall be a discussion item only to allow the Village Council to direct staff to prepare an action for consideration at a later date. If the Village directs staff to undertake this new business item, staff will prepare a draft resolution initiating the submission of a public question to solicit resident input regarding the Downers Grove Public Library for Council review and consideration at an upcoming meeting.
