RECOMMENDATION

Approval on the August 5, 2025 Active Agenda.

BACKGROUND

“R-3” liquor licenses authorize the sale of alcoholic liquor for on and off-premise consumption of alcoholic liquor in connection with the operation of a restaurant.

"REC-1" liquor licenses authorize the sale of alcoholic liquor for on-premise consumption in connection with the operation of a recreational facility.

Due to the current limits of each, an ordinance has been prepared increasing the number allowed to accommodate requests by businesses wishing to apply for these license classifications. A new restaurant is expected to open in the Village and is seeking to apply for the R-3 license. An existing recreational facility currently holds a beer and wine only license and is seeking to apply for the REC-1 license in order to serve full alcohol.
