| SUBJECT: | SUBMITTED BY: |
| Authorization to Execute an Agreement for Upfitting Services for Vehicles | David Moody Director of Public Works |

SYNOPSIS

A resolution has been prepared authorizing execution of an agreement between the Village and Brown Equipment Company, of McHenry, IL, in the amount of \$450,744.00 for snow and utility truck upfits for newly purchased vehicles.

STRATEGIC PLAN ALIGNMENT

The goals for 2023-2025 include *Exceptional Municipal Services*.

FISCAL IMPACT

The FY25 budget includes a total of \$ \$2,000,912 in the Equipment Replacement Fund for new vehicles and the upfitting of those vehicles.

RECOMMENDATION

Approval on the July 15, 2025 consent agenda.

BACKGROUND

On February 11, 2025 Village Council approved the purchase of six (6) Ford F550 trucks from Sutton Ford of Matteson, IL and snow plow and utility body upfits from Henderson Products, Inc. of Huntley, IL for those Ford F550 trucks. At the time of Council approval, Henderson had indicated that they could complete the work in the third quarter of 2025. When staff reached out to Henderson for upfitting after receiving the truck chassis, Henderson stated that one (1) truck would be completed in Q4 2025, and the rest would be done in Q1 2026. Due to the delay in upfitting, staff began searching for other vendors that could upfit these vehicles.

Staff was able to identify only one vendor, Brown Equipment Company, which is able to begin upfitting services for the Village immediately. Staff was able to operate and evaluate a demo vehicle from Brown, and were very pleased with it. Due to the delay in upfitting vehicles with Henderson, staff is recommending the adoption of a resolution waiving the purchasing procedures outlined in the Village Council Policy regarding Purchasing Procedures and authorizing execution of an agreement with Brown Equipment Company for the upfitting of up to six (6) vehicles.

The following vehicles were approved for purchase on February 11, 2025, and the proposed upfitting costs from Brown for each vehicle are shown below.

| Vehicle Unit # | Year | Make | Model | Upfit Cost |
|----------------|------|------|-----------------------|------------------|
| 250 | 2025 | Ford | F550 Super Duty Truck | \$67,926 |
| 251 | 2025 | Ford | F550 Super Duty Truck | \$67,326 |
| 252 | 2025 | Ford | F550 Super Duty Truck | \$80,795 |
| 253 | 2025 | Ford | F450 Super Duty Truck | \$80,795 |

II. Term of Agreement

This Agreement shall terminate upon Contractor's completion of the Services to the complete satisfaction of the Village.

III. Compensation

The Village shall review in a timely manner each bill or invoice after its receipt. If the Village determines that the bill or invoice contains a defect making it unable to process the payment request, the Village shall notify the Contractor requesting payment as soon as possible after discovering the defect pursuant to rules promulgated under 50 ILCS 505/1 et seq. The notice shall identify the defect and any additional information necessary to correct the defect.

4. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and the Department's Rules and Regulations. If any such labor organization or representative fails or refuses to cooperate with the Contractor in its efforts to comply with such Act and Rules and Regulations, the Contractor will promptly so notify the Department and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.
5. That it will submit reports as required by the Department's Rules and Regulations, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and the Department's Rules and Regulations.

7. That it will include verbatim or by reference the provisions of this clause in every subcontract it awards under which any portion of the contract obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor. In the same manner as with other provisions of this Agreement, the Contractor will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith.
