BACKGROUND

The subject property is currently unincorporated and is not contiguous to the Village but is within the Village's ultimate planning boundary. The property owners wish to connect to the Village's water distribution system. As such, the property owners are requesting pre-annexation by signing an annexation agreement with the Village. The agreement will permit the owners to connect to the water system.

When the property becomes contiguous to the Village, it will be annexed and all applicable fire protection district taxes will be paid at that time. If the annexation agreement is approved, the owners will be permitted to connect to the water system after paying permit and tap fees.

The public hearing will be held at the Village Council meeting on September 9, 2025.
