## Report for the Village Council Meeting

*Table 1 - Council Agenda item.*

<b>Subject</b>	Award of Contract – 2026 Pavement Striping Maintenance (TR-023)
<b>Submitted By</b>	Scott Vasko, Director of Engineering

### Synopsis

A motion is requested to award a contract for pavement marking striping maintenance to Precision Pavement Markings, Inc. for \$150,000.00.

### Strategic Plan Alignment

The Strategic Goals for 2025 – 2027 include *Top Quality Infrastructure*.

### Fiscal Impact

The Fiscal Year 2026 budget includes \$150,000 for this project in the Capital Fund.

### Recommendation

Approval on the June 9, 2026 consent agenda.

### Background

The Village has over 26 miles of thermoplastic pavement markings comprised of stop bars, centerlines, lane lines and turn arrows. Over time, they wear and require replacement due to normal weathering, traffic, snow plowing, and construction activities. Staff's observations

indicate that the average life of thermoplastic pavement markings in the Village is approximately four years.

This project is recommended to be completed through a cooperative purchasing contract with DuPage County's 2026 Pavement Marking Maintenance Contract, which included a Joint Purchase line item and allows for pricing to be extended to local governments in accordance with the provisions of the Village Purchasing Policy.

Striping of pedestrian crosswalks is included in this contract. These crosswalks will be striped using a "piano key" design.

Staff recommends award of this contract to Precision Pavement Markings, Inc.

### CONTRACTOR CERTIFICATIONS

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed should the Department enter into the contract with the bidder.

- Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedure established by the appropriate Revenue Act, its liability for the tax or the amount of the tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.
- Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent on behalf of the corporation.

A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State of Local government. No corporation shall be barred from contracting with any unit of State or Local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent on behalf of the corporation.
