Background

The contract for fire apparatus repair and inspection was competitively bid in April 2025. At the June 3, 2025 council meeting, a one-year contract with the option for two annual extensions was awarded to Macqueen Equipment LLC, in the amount of \$55,000. The first contract extension for 2026, keeps the same pricing as 2025, and is in the amount of \$105,000. Upon approval of this extension, the total amount authorized for this contract for 2025 and 2026 will be \$160,000. The contract amount is based on an estimate of repairs to the Village's fleet of eleven (11) fire apparatus. Macqueen Equipment LLC has provided the Village excellent service on past contracts.
