7.5 No Gifts. Developer covenants that no officer, member, manager, stockholder, employee or agent of Developer, or any other person connected with Developer, has made, offered or given, either directly or indirectly, to the Mayor, any Council member, or any officer, employee or agent of the Village, or any other person

connected with the Village, any money or anything of value as a gift or bribe or other means of influencing his or her action in his or her capacity with the Village.

7.6 Disclosure. Developer hereby represents, warrants and covenants to the Village that the majority beneficial owner of the Developer is Brett Paul (the “**Principal**”), and that the Principal shall derivatively own at least 51% of the Developer. At the time of execution of this Redevelopment Agreement no change shall be made in the beneficial owners of the Developer or in their ownership interests which result in the Principal having less than a 51% beneficial interest in the Developer, without the consent of the Village.

7.7 Assignment of Agreement. Without the express written consent of the Village Council, (which may be withheld in the Village Council's reasonable discretion) this Redevelopment Agreement may not be assigned nor may any rights hereunder be transferred by Developer except for Permitted Transfers (as hereinafter defined), until Substantial Completion of the Redevelopment Project. Any proposed assignee of any of Developer's obligations under this Redevelopment Agreement prior to Substantial Completion shall have the qualifications, financial ability, reputation and character necessary, adequate and desirable, in the Village's sole discretion, to fulfill these obligations. The proposed assignee prior to Substantial Completion shall execute an assumption and assignment agreement agreeing to adhere to the terms and conditions of this Redevelopment Agreement, as they apply to said assignee, and shall submit such information, including financial information, as may be requested by the Village Council. Before any permissible assignment shall be of any force and effect, Developer shall give notice of such proposed assignment to the Village, and the Village Council shall have thirty (30) days to accept or reject such assignee at its sole discretion. In the event the Village rejects such assignee, the Village shall state the reasons therefor. If the Village does not

respond to the notice of such intended assignment within such thirty-day (30) period, such assignment shall be deemed approved. Notwithstanding anything in this Section 7.8, no part of this Section 7.8 shall require the Village's consent to the collateral assignment hereof to Developer's construction lender or permanent lender, if required thereby or the assignment of this Redevelopment Agreement pursuant to a Permitted Transfer or to an assignment of the Redevelopment Agreement after Substantial Completion.

7.8 No Transfer without Village's Consent. Prior to Substantial Completion, no portion of the Property shall be transferred or conveyed without the Village Council's prior written approval (other than Permitted Transfers). Before being requested to consent to a transfer (except a Permitted Transfer) of all of the Property by Developer to another developer (a "separate developer") who will develop such portion of the Redevelopment Project and the Property, the following must be satisfied regarding such transfer:

a. Any proposed transferee shall, in the Village's sole discretion, have the experience and financial ability necessary to fulfill the obligations undertaken by Developer in this Redevelopment Agreement with respect to the portion of the Redevelopment Project and all rights, duties and responsibilities being transferred. The proposed separate developer shall submit to the Village, for its review and approval, the same financial documents required hereunder of Developer.

b. Any such proposed transferee shall have expressly assumed the obligations of Developer hereunder in writing with respect to the portion of the Redevelopment Project and all rights, duties and responsibilities to be transferred as hereinafter provided.

c. All material instruments and legal documents involved and affecting any such transfer from Developer to any transferee shall be submitted to the Village Council for its approval, and no transfer shall be effective until the Village Council has authorized

the Village Manager to execute the same. Except in the event of a written agreement authorized by the Village Council, no transfer shall be deemed to relieve Developer or any other party bound in any way by this Redevelopment Agreement or otherwise with respect to the construction of the Redevelopment Project from any of their obligations with respect thereto as to the interest transferred. Developer shall in any event notify the Village of any transfer of any interest in the Redevelopment Project other than: (i) transfers to an Affiliate of Developer; as used herein, an “**Affiliate of Developer**” shall mean an entity which controls, is controlled by, or is under common control with Developer and which has, directly or indirectly, the same manager, members, partners or shareholders owning in the aggregate, more than fifty percent (50%) of the ownership interests in Developer owning more than fifty percent (50%) of the ownership interests in said Affiliate; and as used herein, “control” shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person or entity, whether through the ownership of voting securities or rights, by contract, or otherwise, or (ii) the execution of easements, licenses, concessions or leases of any part of the Property in furtherance of the Redevelopment Project. Developer shall not be required to obtain Village review, approval or consent to any Permitted Transfer. The Village shall have no duty to return any letter of credit or other security posted in connection with the portion of the Redevelopment Project so transferred until substitute security acceptable to the Village in its sole discretion is received.

d. Upon the conveyance of the Property to a separate developer (as consented to by the Village Council, and as evidenced by execution by the separate developer of an assumption and assignment agreement in a form acceptable to the Village), such separate developer shall be responsible for the development of the Redevelopment Project and

Developer shall be relieved from all further liability under this Redevelopment Agreement with respect to the Redevelopment Project and the Property so transferred. Each separate developer shall be bound by all terms, conditions, and obligations of this Redevelopment Agreement applicable to the Redevelopment Project and Property and, except as set forth below in this Section, any reference to Developer in this Redevelopment Agreement shall be deemed to be (or include) a reference to a separate developer to the extent such reference is to (or includes) the Redevelopment Project or the Property owned by such separate developer.

e. Following Substantial Completion, Developer may transfer all or any portion of the Property without the consent of the Village. All Eligible Redevelopment Project Costs constituting the Reimbursement Amount shall continue to be paid solely to Developer notwithstanding any such transfer of all or any portion of the Property following Substantial Completion.

Developer is solvent, able to pay its debts as they mature and financially able to perform all the terms of this Redevelopment Agreement. To Developer's knowledge, there are no actions at law or similar proceedings which are pending or threatened against Developer which would result in any material and adverse change to Developer's financial condition, or which would materially and adversely affect the level of Developer's assets as of the date of this Redevelopment Agreement or that would materially and adversely affect the ability of Developer to proceed with the construction and development of the Redevelopment Project.

9.2 Non-Conflict or Breach. Neither the execution and delivery of this Redevelopment Agreement by Developer, the consummation of the transactions contemplated herein by Developer, nor the fulfillment of or compliance with the terms and

conditions of this Redevelopment Agreement by Developer conflicts with or results in a breach of any of the terms, conditions or provisions of any offerings or disclosure statement made by Developer, any organizational documents, any restriction, agreement or instrument to which Developer or any of its partners or venturers is now a party or by which Developer or any of its partners or its venturers is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any prohibited lien, charge or encumbrance whatsoever upon any of the assets or rights of Developer, any related party or any of its venturers under the terms of any instrument or agreement to which Developer, any related party or any of its partners or venturers is now a party or by which Developer, any related party or any of its venturers is bound.

9.3 Location of Redevelopment Project. The Redevelopment Project will be located entirely within the Property.

9.4 Financial Resources. Developer and any affiliate to which portions of this Redevelopment Agreement are assigned have sufficient financial and economic resources to implement and complete Developer's obligations contained in this Redevelopment Agreement.

10.1 Organization and Authority. The Village is a municipal corporation duly organized and validly existing under the laws of the State of Illinois, is a home rule unit of government, and has all requisite corporate power and authority to enter into this Redevelopment Agreement.

10.2 Authorization. The execution, delivery and the performance of this Redevelopment Agreement and the consummation by the Village of the transactions provided for herein and the compliance with the provisions of this Redevelopment Agreement (i) have been duly authorized by all necessary corporate action on the part of the Village, (ii) require no other consents, approvals or authorizations on the part of the Village in connection with the Village's execution and delivery of this Redevelopment Agreement, and (iii) shall not, by lapse of time, giving of notice or otherwise, result in any breach of any term, condition or provision of any indenture, agreement or other instrument to which the Village is subject.

10.3 Litigation. To the best of the Village's knowledge, there are no proceedings pending or threatened against or affecting the Property, the Redevelopment Project, or the Village in any court or before any governmental authority which involves the possibility of materially or adversely affecting the ability of the Village to perform its obligations under this Redevelopment Agreement.

10.4 Connections. The Village hereby agrees to permit the connection to all water lines and storm sewer lines located in the Redevelopment Project Area or Village utility lines existing or constructed in or near the Property, provided that Developer complies with all requirements of general applicability promulgated by the Village for such connections. New water mains shall be constructed within public rights-of-way. The Developer further agrees to contact IDOL for a determination of applicability of the Prevailing Wage Act to the projects contemplated by this Redevelopment Agreement. If required by IDOL, the Developer agrees to pay the prevailing wage rates and to require that all of its subcontractors pay prevailing wage to any laborers, workers or mechanics who perform construction work on the Redevelopment Project contemplated by this Redevelopment Agreement. The Developer recognizes and agrees that it is solely responsible for compliance with the Prevailing Wage Act and agrees to fully indemnify, defend and hold harmless the Village pursuant to Section 7.3 above with regard to any actions or proceedings instituted regarding such compliance.

ARTICLE TWELVE

- (a) If any representation made by Developer in this Redevelopment Agreement, or in any certificate, notice, demand or request made by Developer, in writing and delivered to the Village pursuant to or in connection with any of said documents, shall prove to be untrue or incorrect in any material adverse respect as of the date made; provided, however, that such default shall constitute an Event of Default only if Developer does not remedy the default within thirty (30) days of written notice from the Village.
- (b) Default by Developer for a period of thirty (30) days after written notice

thereof from the Village in any representation contained in this Redevelopment Agreement concerning the existence, structure, financial condition of Developer; provided, however, that such default or breach shall not constitute an Event of Default if such default can be cured within said thirty (30) days and Developer, within said thirty (30) days, initiates and diligently pursues appropriate measures to remedy the default.

- (c) A material failure by Developer for a period of thirty (30) days after written notice thereof from the Village in the performance of any obligation hereunder or the material breach of any covenant or warranty contained in this Redevelopment Agreement; provided, however, that such default shall not constitute an Event of Default if such default can be cured within said thirty (30) days and the Developer, within said thirty (30) days, initiates and diligently pursues appropriate measures to remedy the default and in any event cures such default within ninety (90) days after such notice, subject to Uncontrollable Circumstances.
- (d) The entry of a decree or order for relief by a court having jurisdiction over the premises with respect of Developer in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or State bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignees, custodian, trustee, sequestrator (or similar official) of Developer for any substantial part of its property, or ordering the winding-up or liquidation of its affairs and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days.

- (e) The commencement by Developer of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or State bankruptcy, insolvency or other similar law, or the consent by Developer to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of Developer or of any substantial part of the Property, or the making by any such entity of any assignment for the benefit of creditors or the failure of Developer generally to pay such entity's debts as such debts become due or the taking of action by Developer in furtherance of any of the foregoing, or a petition is filed in bankruptcy by others and not dismissed within sixty (60) consecutive days.
- (f) Failure to have funds to meet Developer's obligations; provided, however, that such default shall constitute an Event of Default only if Developer does not remedy the default within thirty (30) days after written notice from the Village.
- (g) Developer fails to comply with applicable governmental codes and regulations in relation to the construction of the Redevelopment Project; provided, however, that such default shall constitute an Event of Default only if the Developer does not, within thirty (30) days after written notice from the Village, remedy the default.

12.2 Village Events of Default. The following shall be Events of Default with respect to this Redevelopment Agreement:

- (a) If any material representation made by the Village in this Redevelopment Agreement, or in any certificate, notice, demand or request made by a party

hereto, in writing and delivered to Developer pursuant to or in connection with any of said documents, shall prove to be untrue or incorrect in any material respect as of the date made; provided, however, that such default shall constitute an Event of Default only if the Village does not remedy the default within thirty (30) days after written notice from Developer.

- (b) Default by the Village in the performance or breach of any material covenant contained in this Redevelopment Agreement concerning the existence, structure or financial condition of the Village; provided, however, that such default or breach shall constitute an Event of Default only if the Village does not, within thirty (30) days after written notice from Developer, initiate and diligently pursue appropriate measures to remedy the default.
- (c) Default by the Village in the performance or breach of any material covenant, warranty or obligation contained in this Redevelopment Agreement; provided, however, that such default shall not constitute an Event of Default if the Village commences cure within thirty (30) days after written notice from Developer and in any event cures such default within ninety (90) days after such notice, subject to Uncontrollable Circumstances.
- (d) Failure to have funds to meet the Village's obligations.

12.3 Remedies for Default.

In the case of an Event of Default hereunder:

- (a) The defaulting party shall, upon written notice from the non-defaulting party, take immediate action to cure or remedy such Event of Default. If, in such case, any monetary Event of Default is not cured, or if in the case of a

non-monetary Event of Default, action is not taken or not diligently pursued, or if action is taken and diligently pursued but such Event of Default or breach shall not be cured or remedied within a reasonable time, but in no event more than thirty (30) additional days unless extended by mutual agreement, the non-defaulting party may institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such default or breach, including, but not limited to, proceedings to compel specific performance of the defaulting party's obligations under this Redevelopment Agreement.

- (b) In case the Developer or Village shall have proceeded to enforce its rights under this Redevelopment Agreement and such proceedings shall have been discontinued or abandoned for any reason, then, and in every such case, Developer and the Village shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of Developer and the Village shall continue as though no such proceedings had been taken.

12.4 No Waiver by Delay or Otherwise. Any delay by either party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Redevelopment Agreement shall not operate to act as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that neither party should be deprived of or limited in the exercise of the remedies provided in this Redevelopment Agreement because of concepts of waiver, laches or otherwise); nor shall any waiver in fact made with respect to any specific Event of Default be considered or treated as a waiver of the rights by the waiving party of any future Event of Default

hereunder, except to the extent specifically waived in writing. No waiver made with respect to the performance, or the manner or time thereof, of any obligation or any condition under this Redevelopment Agreement shall be considered a waiver of any rights except if expressly waived in writing.

12.5 Rights and Remedies Cumulative. The rights and remedies of the Parties to this Redevelopment Agreement, whether provided by law or by this Redevelopment Agreement, shall be cumulative, and the exercise of any one or more of such remedies shall not preclude the exercise by such Party, at that time or different times, of any other such remedies for the same Event of Default.

ARTICLE THIRTEEN

EQUAL EMPLOYMENT OPPORTUNITY

13.1 No Discrimination. Developer will not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, national origin ancestry, age, marital status, physical or mental handicap or unfavorable discharge for military service. To the fullest extent permitted by law, Developer will take affirmative action to ensure that applicants are employed and treated during employment, without regard to their race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge for military service. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment, recruitment advertising, layoff, termination, rate of pay or other forms of compensation and selection for training, including apprenticeship. Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

ARTICLE FOURTEEN

MISCELLANEOUS PROVISIONS

14.1 Cancellation. In the event Developer or the Village shall be prohibited, in any material respect, from performing covenants and agreements or enjoying the rights and privileges herein contained, or contained in the Redevelopment Plan with respect to the

Property, including Developer's duty to build-out the Redevelopment Project, (i) by order of any court of competent jurisdiction; (ii) in the event that all or any part of the Act or any ordinance adopted by the Village in connection with the Redevelopment Project, shall be declared invalid or unconstitutional, in whole or in part, by a final decision of a court of competent jurisdiction (any such finding being referred to herein as "**Superseding Order**") and such declaration shall materially affect the Redevelopment Project or the covenants and agreements or rights and privileges of Developer or the Village; or (iii) the failure of the Developer to Substantially Complete the Redevelopment Project on or before September 30, 2027, subject to extension for Uncontrollable Circumstances, then and in any such event, the party so materially affected may, at its election, cancel or terminate this Redevelopment Agreement in whole (or in part with respect to that portion of the Redevelopment Project materially affected) by giving written notice thereof to the other party within sixty (60) days after such final decision or event. If the Village terminates this Redevelopment Agreement pursuant to this Section 14.1, to the extent it is then appropriate, the Village, at its option, may also terminate its duties, obligation and liability under all or any related documents and agreements; provided, however, that (i) the cancellation or termination of this Redevelopment Agreement shall have no effect on the authorizations granted to Developer for building permits issued and under construction to the extent permitted by said court order; (ii) the cancellation or termination of this Redevelopment Agreement shall have no effect on perpetual easements contained in any document recorded against the Property for the Village's benefit; and (iii) the cancellation or termination of this Redevelopment Agreement shall release the Village from any and all liability or obligation relating to the payment or reimbursement to the Developer for any Eligible Redevelopment Project Costs. If the Developer terminates this Redevelopment

Agreement pursuant to this Section 14.1, to the extent it is then appropriate, the Developer, at its option, may also terminate its duties, obligation and liability under all or any related documents and agreements; provided, however, that the cancellation or termination of this Redevelopment Agreement shall have no effect on perpetual easements contained in any document recorded against the Property for the Village's benefit.

If Developer encounters any waste material governed by the above Act, it shall immediately notify the Village and conduct itself according to applicable laws and regulations.

14.7 Drug Free Workplace. Developer, as a party to a public contract, certifies and agrees that it will provide a drug free workplace by:

- (a) Publishing a statement:
 - (1) Notifying employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance, including cannabis, is prohibited in the Village's or Developer's workplace.
 - (2) Specifying the actions that will be taken against employees for violations of such prohibition.

 - (g) Making a good faith effort to continue to maintain a drug free workplace through implementation of the Drug Free Workplace Act.

14.8 Recordation of Redevelopment Agreement. The Parties agree to record this Redevelopment Agreement with the DuPage County Recorder's Office.

14.9 Severability. If any provision of this Redevelopment Agreement, or any section, sentence, clause, phrase or word, or the application thereof, in any circumstance,

is held to be invalid, the remainder of this Redevelopment Agreement shall be construed as if such invalid part were never included herein, and this Redevelopment Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

14.10 Choice of Law. This Redevelopment Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

14.11 Entire Contract and Amendments. This Redevelopment Agreement (together with the exhibits attached hereto) is the entire agreement between the Village and Developer relating to the subject matter hereof, supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, between the Village and Developer, and may not be modified or amended except by a written instrument executed by the Parties hereto.

14.12 Third Parties. Nothing in this Redevelopment Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Redevelopment Agreement on any other persons other than the Village and Developer, nor is anything in this Redevelopment Agreement intended to relieve or discharge the obligation or liability of any third persons to either the Village or Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the Village or Developer. This Redevelopment Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

14.13 Waiver. Any party to this Redevelopment Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Redevelopment Agreement.

14.14 Cooperation and Further Assurances. The Village and Developer each covenants and agrees that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments, easements if necessary, and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better clarifying, assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the Village or Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Redevelopment Agreement.

14.15 Successors in Interest. This Redevelopment Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective authorized successors and assigns; provided, however, that, except as provided in Sections 7.8 and 7.9 hereof, Developer may not assign its rights under this Redevelopment Agreement without the express written approval of the Village. Notwithstanding anything herein to the contrary, the Village may not delegate its obligation hereunder.

14.16 No Joint Venture, Agency or Partnership Created. Nothing in this Redevelopment Agreement, or any actions of the Parties to this Redevelopment Agreement, shall be construed by the Parties or any third person to create the relationship of a partnership, agency or joint venture between or among such parties.

14.17 No Personal Liability of Officials of Village or Developer. No covenant or agreement contained in this Redevelopment Agreement shall be deemed to be the covenant or agreement of the Mayor, Village Council member, Village Manager, any official, officer, partner, member, director, agent, employee or attorney of the Village or Developer, in his or her individual capacity, and no official, officer, partner, member,

director, agent, employee or attorney of the Village or Developer shall be liable personally under this Redevelopment Agreement or be subject to any personal liability or accountability by reason of or in connection with or arising out of the execution, delivery and performance of this Redevelopment Agreement, or any failure in that connection.

14.18 Repealer. To the extent that any ordinance, resolution, rule, order or provision of the Village's code of ordinances, or any part thereof, is in conflict with the provisions of this Redevelopment Agreement, the provisions of this Redevelopment Agreement shall be controlling, to the extent lawful.

14.19 Term. This Redevelopment Agreement shall remain in full force and effect until and shall terminate upon Substantial Completion of the Redevelopment Project or until otherwise terminated pursuant to the terms of this Redevelopment Agreement. Provided however that the Village obligation with respect to payment of the Reimbursement Amount pursuant to Sections 5.2, 5.3, 5.4 and 5.5 hereof shall survive termination. In such event and upon the request of Developer, the Village and Developer shall enter into a termination and release of this Redevelopment Agreement and record the same with the DuPage County Recorder's Office, provided that the failure to do so shall not impact such termination of this Redevelopment Agreement.

14.20 Estoppel Certificates. Each of the parties hereto agrees to provide the other, upon not less than ten (10) business days prior request, a certificate ("**Estoppel Certificate**") certifying that this Redevelopment Agreement is in full force and effect (unless such is not the case, in which such parties shall specify the basis for such claim), that the requesting party is not in default of any term, provision or condition of this Redevelopment Agreement beyond any applicable notice and cure provision (or specifying each such claimed default) and certifying such other matters reasonably requested by the

requesting party.

14.21 Municipal Limitations. All municipal commitments are limited to the extent required by law.
