Strategic Plan Alignment

The Goals for 2025 to 2027 include *Exceptional Municipal Services*.

Fiscal Impact

The Fiscal Year 2027 Major Buildings Fund includes funding for this project.

Recommendation

Approval on the November 17, 2026 Consent Agenda.

Background

The furniture in the Public Works Facility is outdated and in need of replacement. The objectives associated with this project include: 1) providing more modern, ergonomic furniture, 2) increasing the capacity of the spaces in the facility to accommodate additional workstations, and 3) improve workflow and use of space.

Staff worked with Midwest Office Interiors, Inc. to develop the plan for the replacement of the furniture. Their proposal is based on the Omnia Partners contract, which provide purchasing cooperative pricing that complies with the Village's purchasing policy.

The Village has experience working with Midwest Office Interiors, which is the vendor that supplied the furniture in the Civic Center, and has been extremely satisfied with their performance.
